

Week Nine

HONOR

You Were Born to Love

*You made a sacred commitment to self.
It is done.*

Now, in everything we do, we live in gratitude, *honoring* all that is.

Everything you desire is already there once you open your awareness to honor and receive those opportunities. You are celebrating your daily practices and accomplishments and miracles happen with grace and ease.

Honor is respect to others and self. It's a privilege and recognition. We must honor all parts of our lives for everything is in perfect right order.

We have completed 2 months of an amazing journey. Many things have shifted, I am sure.

We must honor all parts of our lives for everything is in perfect right order.

"Anything that annoys you is for teaching you patience.

Anyone who abandons you is for teaching you how to stand up on your own two feet.

Anything that angers you is for teaching you forgiveness and compassion.

Anything that has power over you is for teaching you how to take your power back.

Anything you hate is for teaching you unconditional love.

Anything you fear is for teaching you courage to overcome your fear.

Anything you can't control is for teaching you how to let go and trust the Universe."

LET'S GET VERY CLEAR NOW!

The more you get clear, the more *free* you become.

The more free you become, the more you will *flow*.

The more you flow, the more you will *align with all that you love* that you want to attract.

The more you attract what you love, the more we will *honor* and *acknowledge* the privilege we have tapped into.

When that which I've chosen to focus upon in this moment evokes Love, or Joy, or Appreciation, I am, in that moment, offering my greatest value to myself, to my current object of attention and to All-That-Is.

- Abraham

What else must you release at this time so you can let in what you deserve?

*Remember, visualizing is NOT Enough.
EM-Body the process. Put yourself in motion to create.*

LESSON - ACTION EXERCISE

Pay attention to your longings. Notice any streams of information that come into your conscious mind.

Expand your expression of yourself and your life's purpose through this stream of higher consciousness.

Write down what is your soul's purpose and how you can expand upon it?

LESSON - ACTION

Create a crystal clear vision of exactly what you desire to attract into your life now.

You must make a decision if you want to receive it into your life.

What decision will you make?

Divine Supply responds to clarity and consistent conviction.

LESSON - ACTION

Ask yourself "Is this really what I desire?"

Is it exactly as you would like it to be, completely?

Is there anything else not in your conscious realm of ideas at this moment, that you may want to add tomorrow?

How can you expand upon this desire to create something that will serve more than just you?

Choices that, with time, become habits.
